

PRINTING INSTRUCTIONS

The DHS Cybersecurity Resources Road Map is a guide for identifying useful cybersecurity best practices and resources based on needs. Cybersecurity trainers and partners are encouraged to print the Road Map (11x17 trifold brochure) for distribution to stakeholders.

Download the Road Map PDF file at a print shop and provide these specifications:

- Double-sided trifold brochure
- Full bleed
- 12"x18" size paper cut to 11"x17"
- Flip on short edge
